Equality Questionnaire

The Equality Act places a duty on public bodies to:

- Promote equality
- Eliminate discrimination that is unlawful under the Disability Discrimination Act (1995)
- Eliminate disability related harassment
- Promote positive attitudes
- Encourage participation
- Take steps to meet disabled people's needs

We therefore need to know which of our students may have any 'disability' covered by the Equality Act. Please tick the appropriate boxes below to show which disability or medical condition applied to your child.

NB A child has a disability if she/he has a physical or mental impairment which has a substantial and long term adverse effect on his/her ability to carry out normal day-to-day activities. The term 'disability' includes medical conditions such as heart disease, diabetes, severe disfigurement, depression, schizophrenia, dyslexia, epilepsy, Downs Syndrome, physical and sensory impairments. It also includes learning difficulties such as SpLD (Dyslexia, Dyspraxia etc), ADD, ADHD, MLD, SLD, SLCN, ASD (including Asperger's Syndrome).
