Disability Equality Questionnaire

The Disability Discrimination Act (DDA) 1995 was amended from 2006 to promote disability equality. This will place a General Duty on public bodies to:

- Promote equality
- Eliminate discrimination that is unlawful under the DDA (1995)
- Eliminate disability related harassment
- Promote positive attitudes
- Encourage participation
- Take steps to meet disables people's needs

Schools have to produce a Disability Equality Scheme which sets out ways in which the schools will do this. We therefore need to know which of our pupils may have any 'disability' covered by the DDA. Please tick the appropriate boxes overleaf to show which disability or medical condition applied to your child.

NB A child has a disability if she/he has a physical or mental impairment which has a substantial and long term adverse effect on his/her ability to carry out normal day-to-day activities. The term 'disability' includes medical conditions such as heart disease, diabetes, severe disfigurement, depression, schizophrenia, dyslexia, epilepsy, Downs Syndrome, physical and sensory impairments. It also includes learning difficulties such as SpLD (Dyslexia, Dyspraxia etc), ADD, ADHD, MLD, SLCN, ASD (including Asperger's Syndrome).
